2BH MARKET PLACE POLICY

Marketplace is aired on 567 AM 2BH Saturday only between 8:30am - 9am (excluding public holidays and special event broadcasts).

Private persons (not businesses) may call during Marketplace on **8087 8685** on the day or email marketplace@2bh.com.au before 5pm Friday or drop the items in to 2BH (25 Garnet Street) during office hours to buy, swap, sell or giveaway up to three items each call at the cost of **\$5.50** inclusive of GST.

Your items will also be read during 2BH breakfast Monday - Friday of the following week between the 7:30am National News. If any items are sold during this cover it is up to the seller to notify 2BH so that the items can be removed from Marketplace.

Items not permitted on 2BH Marketplace include the sale of second hand small electric kitchen appliances (e.g. jugs, toasters or irons), second hand hair dryers, second hand electric blankets, second hand electric heaters, guns or ammunition, people looking for or offering 'lifts' of travel and the sale or give away of any animal or bird.

A registration or engine number must be given for all vehicles, motorcycles, trailers, engines etc before details can go to air.

During special event broadcasts 2BH may broadcast any items brought to the site at no cost, but may not necessarily broadcast any Marketplace items that day.

2BH's decision on Marketplace and Marketplace persons is **FINAL**.
